Wall Mount Side Glow Sign

Designer Collection

aaline's Wall Mount Side Glow signage system with built-in number plates is an elegant linear solution for lighting and wayfinding where less is more. This fixture features a minimal profile, protruding just 2" off the wall, for an ADA-compliant and unobtrusive wall wash that provides illuminated signage. Choose between a curated selection of specifications or contact us for more specific requirements.

2FT fixture shown in image. See shop drawings below for product specific dimensions.
